3rd Annual

Quack 'n' Fetch

Each entrant will receive a souvenir rubber ducky. For \$5.00 you may enter your ducky in the Quack "n" Fetch. Entrants may purchase additional duckies (see below). At the designated time, all duckies entered in the Quack "n" Fetch will be released into the lake. Three "to be selected" Portuguese Water Dogs will be instructed to, individually, "fetch" a duck from the paddling. The owners of the fetched duckies will split the pot with the Movers and Shakers PWDC! The remaining duckies will then be retrieved and given back to the entrant.

This event is not limited to owners/handlers of entered dogs nor is it limited to 1 duck per person. Anyone may purchase a ducky for \$5.00 and pay \$5.00 to enter the Quack 'n' Fetch. You may enter as many duckies as you would like – no limit. You absolutely do not have to be present to win. Can't make it to the trial? Send your money and we'll put your ducky in the water for you.

Notice to Participants

The water trials will be held in accordance with the provisions of the PWDCA Water Trial Manual, as revised through 2008 (the "Manual"). Copies of the Manual may be downloaded free of charge from the PWDCA website (www.pwdca.org). Printed copies may be ordered, for a small fee, from Andy Paight at ozmo@comcast.net.

Eligibility: Minimum age of participants: 10 years. Participants aged 10 through 18 years must have a parent or legal guardian present at the trial site while they participate. Minimum age of dogs: 6 months.

On each day a dog may only be entered and exhibited once at any test level.

A dog must have an Apprentice Water Dog (AWD) title to enter the Working Water Dog (WWD) level, a WWD title to enter the Courier Water Dog (CWD) level. A Junior Water Dog Certificate is NOT required to enter the AWD level.

Acceptance of entries; opening date; closing date: Entries will only be accepted if they include the Participation Agreement on the entry form, are properly signed, initialed and are accompanied by the proper entry fees. Entries must be received by the closing date, 5:00 p.m. (EDT) Monday, June 30, 2009 after which they may not be accepted, canceled or substituted. Entries may not be faxed, emailed or telephoned. Entries will not be accepted before 8:00 a.m. (EDT) on Monday, June 8, 2009 (the opening date).

Properly completed entries will be accepted within each test level in the order received up to the limit of 5 Junior, 9 Apprentice, 9 Working, 7 Courier and 1 Versatility dogs. If any test level does not receive the limit, entries will be accepted in other test levels toward the total of 35 teams or 8 hours of judging each day.

Each trial will close when the number limit for that trial is filled. If multiple entries are received in the mail which brings the closing entry, entries from that mail will be chosen by random drawing as necessary for the total entry or for any test level. Space permitting, day of trial entries will be accepted.

Waiting list: If entries in excess of the limits are received before the closing date, the excess entries will be assigned to a waiting list according to the order in which they are received, regardless of test level. Entries received on the same day will be assigned waiting list positions by random drawing.

Refunds: No refunds of entry fees will be made after the closing date.

Bitches in season: Bitches in season will be judged after all other dogs have been judged. The owner or handler of any such bitch must notify the trial secretary of the bitch's condition before the start of the day's judging. Handlers may not bring bitches in season to the test area or the surrounding area until they are instructed to do so by the judge or the judge's designee.

Nonregular entries: Exhibition entries will be accepted if either trial does not fill with regular entries. (A dog may not be entered as both a regular and an exhibition entry.) Post entries (including day of trial move-ups by teams who have qualified at their regular test levels) will be accepted up to the limit of 35 total teams or 8 hours of judging per day. If post entries exceed available openings, entries will be chosen by random drawing.

Changes of entry level (move-ups): A regular entry may be moved to a higher test level before either trial if the dog is eligible for the higher level. If a handler intends to move up to a higher test level, the trial secretary must be notified in writing at least one-half hour before judging commences at the trial.

Substitute Stewards: A handler may use his/her own substitute steward. The substitute steward must be named on, and must sign, the entry form. Substitute stewards must be familiar with and conduct themselves according to the applicable provisions of the Manual. Requests for any change of steward must be approved by the trial secretary and judge prior to the start of judging of a team's test level.

Equipment: Exhibitors may use their own equipment if approved after inspection by the judge or judge's designee. The Movers & Shakers will provide equipment for use by exhibitors.

Vests and footwear: Any person working a dog in or near the water and any substitute steward must wear a USCG-approved life vest and protective footwear with closed toes.

Dogs on leash: Dogs must be kept on leash or confined to crates at all times, except when participating in a warm-up session or when being judged.

Order of judging and judging program: The order of judging within each test level will be determined by a random drawing on or about June 30, 2009. A judging program containing the days' tentative event schedules and order of judging teams will be e-mailed to each entrant. **The order of judging of test levels on Saturday will be Versatility, Courier Water Dog, Working Water Dog, Apprentice Water Dog and Junior Water Dog. The order will be reversed on Sunday.**

What to bring: USCG-approved life vest and protective footwear with closed toes (mandatory), crate, towels, foul weather gear, sun protection, trial equipment, leash, water dish, dog food, poop bags, etc. Chairs and shade devices may be useful but are not mandatory.
