## ELIGIBILITY

Minimum age of handlers is 9 years old. Participants under 18 years of age must have a parent or legal guardian present at the trial site while they participate. Minimum age of dogs is six months old on the day of the trial. Dogs six months old but under one year old must earn a Junior Water Dog title before entering at the Apprentice level.

A dog may only be entered and exhibited once at any test level on each day. The Junior Water Dog title is an optional title, may be earned before or after earning the Apprentice Water Dog title and after higher-level titles. A dog must have an Apprentice Water Dog (AWD) title to enter the Working Water Dog (WWD) level, a WWD title to enter the Courier Water Dog (CWD) level, and a Courier Water Dog Excellent (CWDX) title to enter the Master Water Dog level.

## NON-REGULAR ENTRIES

As per the PWDCA Water Trial Manual, a dog may enter as a non-regular entry at the same level he or she has previously earned a title.

Exhibition Only entries will be accepted if the trial does not fill with regular entries. A dog may not be entered as both a regular and exhibition only in the same trial. The competitor has 48 hours to accept and pay for the space to be accepted into the Trial. **If the space is not accepted and paid within 48 hours of the notice, the dog entry will be cancelled (removed from waitlist), will no longer be available to the competitor, and the space will be offered to the next competitor. The Trial Committee is not responsible for competitor's email issues. Note: PerfDog does track sent and delivered emails.**

Day of move-ups: If space is available, the Trial Secretary must be notified in writing, email is acceptable at before 8:00am of the trial day, before the judging begins.

Volunteer assignments can be selected through Signup Genius:

[Friday Practice Day Volunteer Link](#)

[Saturday/Sunday Trial Day Volunteer Link](#)

We depend upon and greatly appreciate your help in making the event run smoothly and successfully. All volunteers must complete a Participation Agreement. If a volunteer is not competing, a Participation Agreement can be completed via the Extras section in PerfDog at no cost. Contact [kimkluckman@earthlink.net](mailto:kimkluckman@earthlink.net) for more information regarding volunteering.

## ORDER OF JUDGING AND JUDGING PROGRAM

To balance entries as evenly as possible over the two trial sites, the Host Committee will determine judging assignments after entries have closed. A judging program containing the days' event schedules and the order of judging of teams will be emailed to each exhibitor with the final entry confirmation. The test level order of judging will be Saturday Deck Side Trial Site: Master, Apprentice, and Junior. Playground Trial Site: Working and Courier. Sunday the test level order will be reversed. The following are time estimates for each level:

Junior (10 min)

Apprentice/Working (15 min)

Courier/Master (20 min)

The presentation of the colors and the National Anthem will proceed the judges briefing at 7:50am Saturday. Judges' briefings will begin at 8:00am on Saturday & Sunday. Lunch, and other breaks, will be at the discretion of the judges.

## BITCHES IN SEASON

Bitches in season will be judged after all other canines have been judged for the Trial (this means both sites if there are more than one trial site).

- The owner or handler of any such bitch must notify the Trial Secretary of the bitch's condition before the start of the day's judging.
- Handlers may not bring bitches in season to the test area or the surrounding area until they are instructed to do so by the Judge or the judge's designee.
- **There will NOT be a separate briefing for Bitches in season, you are expected to attend the regular briefing with the other handlers in your dog's level.**
- Practice Day: Please notify the Practice Coordinator before bringing your bitch into the practice area. The same procedure will be followed for the practice day as for the trials.

## INCLEMENT WEATHER POLICY

If there is lightning and/or thunder during the trial, teams will be required to leave the water. This will be at the sole discretion of the judge. Resumption of the trial is also at the sole discretion of the judge, but no sooner than 30 minutes after the last thunder. Testing will resume where it left off and continue as scheduled. Depending on the total time of the delay, the Trial Chairperson and Trial Secretary will determine if there is sufficient time to complete the trial in the allotted time or whether a "one and done" policy will be adopted.

## DOG AGGRESSION POLICIES & LAW

Movers & Shakers will follow the guidelines set forth in Chapter 5 of the current PWDCA Water Trial Manual and North Carolina state law.
